Little Canada visit 2019 – Year 5 pupils only

A reminder that the initial deposit of £50 and booking slip for the 2019 residential trip is due by **next Friday 18th May**. The school has to confirm the booking by this date so if there is insufficient commitment from parents then unfortunately the trip will not go ahead.

Sports Day arrangements - Tuesday 22nd May

Sports Day is on Tuesday 22nd May and as last year the children have been divided into teams (Red, Green, Blue & Yellow). We are asking that the children come to school on the day dressed in a t-shirt of their team colour, PE shorts, socks and plimsolls. This will eliminate changing time and ensure that it is clear who is in which team. If your child is unsure which team they are in please check the list which is on the noticeboard.

Team events will be held earlier in the day. Parents are welcome to attend from 1pm to watch the Sports Day individual and team races. Please note that there will be no Art Club on this day.

There will be a cake sale to raise funds for the playschool. Anyone who would be willing to assist in serving tea/coffee during the afternoon please contact the office. Thank you!

GDPR (General Data Protection Regulation)

Things are changing!

The GDPR will apply in all EU member states from 25 May 2018. This will affect how schools manage personal data and how this is protected and shared. The EU's General Data Protection Regulation (GDPR) brings data protection legislation into line with new, previously unforeseen ways that data is now used.

Currently, the UK relies on the Data Protection Act 1998, which was enacted following the 1995 EU Data Protection Directive, but this will be superseded by the new legislation. It introduces tougher fines for non-compliance and breaches, and gives people more say over what companies can do with their data. It also makes data protection rules more or less identical throughout the EU.

The school collects and uses personal information about staff, students, parents or carers and other individuals who come into contact with the School. This information is gathered in order to enable it to provide education and other associated functions. In addition, there may be a legal requirement to collect and use information to ensure that the School complies with its statutory obligations.

The school is a data controller and must therefore comply with the Data Protection Principles in the processing of personal data, including the way in which the data is obtained, stored, used, disclosed and destroyed. The school must be able to demonstrate compliance with the GDPR and as such has reviewed the data protection policy and privacy notices for pupils and for staff.

These can be viewed on the school website at www.singleton.w-sussex.sch.uk/Data%20Protection.htm
