## Newsletter Number 6

Dear Parents/Carers,

### UNICEF Day for Change 2015

Thank you to all who supported our Day for Change last week. £115 was raised for UNICEF to help them support 'Children in Crisis'. A great result!!!

## YEAR OF MATHS 2015

As you know, this year 2015 is the 'Year of Maths' at Singleton School.

There is a range of further activities planned to take place during the year and a group of children have already begun to put together Singleton School's first ever maths magazine. All being well, it should be ready very soon!

We would also welcome ideas you may have on any future events we could hold, in relation to maths, either for the children or for yourselves. Are there any parents whose jobs involve mathematical skills? If so, would you be willing to come into school to talk to the children? The children always enjoy having visitors and would gain an insight into real life maths. Please come and see me to arrange a date. Thank you. Mrs Fielder.

*As part of the Year of Maths there will be a maths puzzle in the newsletter most weeks.*

*For the half term can you say why the number 8,549,176,320 is special??  
Answer after half term!*

## Sainsbury's Active Kids 2015

The Sainsbury's Active Kids Voucher Scheme is on!! A collection box for the vouchers is situated in the school entrance hall. All vouchers welcome!
