Welly boots!

To allow us to get more use from the field at breaktimes, as last year pupils are encouraged to keep (named) wellies in school on their peg in a suitable (named) strong (canvas or similar) bag. Thank you for your co-operation.

Possible closure due to snow! (Just in case it happens!!)

The decision to close the school is a complex one, weighing up many factors including the safety and heating on the site, the conditions of the roads/pavements in the close vicinity to the school, and the ability of staff and children to travel to school without undue risk to their well-being. The Chair of Governors and Headteacher then make their decision.

If a decision is made to close the school, this will be immediately relayed (and before 7.30am) to West Sussex County Council for entry on their website, to Spirit FM (www.spiritfm.net) and via the parent hotline. The parent hotline is a useful means of communication between school and home, particularly in the event of school closure due to bad weather, etc. The number to use to listen to messages is 08447 707576 and the School ID is 64518.

Gate security

The new pedestrian gate is now working well and the car park gates and other fencing around the playground will be upgraded in the New Year. The new pedestrian gate is self-closing and must be allowed to shut rather than left 'just open' – **please close the gate firmly behind you or release it to close itself.** Thank you.

If you have any concerns or questions, please do not hesitate to speak to us. Have a great weekend!

Yours sincerely,

Christopher Todd
