From the School Governors

The Governing Body recently met and spent some time reviewing the school finances including how much budget has been spent so far this year. As ever, there is never enough money to do all that we would like and going forward it is clear that the school funding will become more and more challenging. With this in mind, the Governing Body would like to make an appeal to parents about the voluntary contribution that has been requested towards the cost of swimming lessons. We understand that parents are also experiencing difficult financial times but would encourage those parents that are able to make the voluntary contribution to do so. Otherwise any shortfall will need to be met from the already stretched school budget. Thank you.

If you have any questions or queries please do not hesitate to contact us - have a great weekend!

Yours sincerely,

Christopher Todd, Headteacher
