School Cookbook

Your help is needed!

We are creating our very own school cookbook and to help us along with this exciting project we want every pupil to contribute their favourite tasty, healthy recipe. It could be a starter, a quick bite, a main course or a dessert.

ONLY 2 RECIPES UPLOADED SO FAR - COME ON SINGLETON!!!!!!

You can log onto a specially designed site and send us your recipe online. Just follow the onscreen instructions – it's really quick and simple to use.

Please use the following access code: a26287d8ab

The deadline for recipes is 24th October 2016. Once we have everyone's recipe we will be sending them off to be printed. We need 36 recipes to make it viable!! We look forward to receiving your recipes and thanks again for your support.

Headlice

There have been cases of headlice in school this week. The Department of Health recommends a 'whole-school approach' to containing and controlling head lice transmission. This is where all the children in a school and other family members and contacts at home are checked and treated as necessary. Please check your child over the weekend and treat if required. This course of action will only be effective if all play their part. There is more information at www.nhs.uk/conditions/Head-lice/Pages/Introduction.aspx or come along to the School Nurse drop-in on Monday 10th October (see details below). Thank you.
