Sports Day arrangements - Tuesday 24th May

Sports Day is on Tuesday 24th May and as last year the children have been divided into teams (Red, Green, Yellow). We are asking that the children come to school on the day dressed in a t-shirt of their team colour, PE shorts, socks and plimsolls. This will eliminate changing time and ensure that it is clear who is in which team. If your child is unsure which team they are in please check the list which will be on the noticeboard shortly.

Team events will be held earlier in the day. Parents are welcome to attend from 1pm to watch the Sports Day individual and team races.

End of Year Production - 'Reach for the Sky'

Rehearsals have already begun for the end of year production 'Reach for the Sky'. This feel-good musical production takes a celebratory (and typically humorous) look back at some of the sporty and PE-based things that happen at primary school. Designed to link with the 2016 Rio Olympics, we look forward to the performances in July. Please bear in mind that the timing of the performance on Tuesday 12th July (6pm) will mean pupils will need to return to school during the late afternoon. As last year, please note that pupils will not be required for after school rehearsals on Tuesdays every week as different children are in different scenes – they will be told on a week to week basis. Thank you for your support.

Dear Parents and carers,

We are writing to notify you of an event that is coming up next week!!!

As you already know, this school is a Rights Respecting School (RRS) which means that we respect each other's rights and help the charity UNICEF. As a part of this, we have our Day for Change event where we do different things in school to raise money. In previous years, we have done things such as a porridge morning and nail painting.

This year, the theme is Children in Danger, with a particular focus on the war in Syria. Children will be asked to come in dressed in blue and white and bring in a suggested donation of £1. We will be doing exciting events throughout the day such as pom-pom-bombing one of the trees on the school field in the UNICEF colours (blue and white) and having a cake sale in the afternoon taking place after school. Parents are welcome to donate cakes and/or blue and white wool and join us for the cake sale after school.

We would be extremely grateful for your co-operation.

The RRS Young Governors

Sun protection

Summer has arrived so pupils need to wear appropriate clothing. All the Infants have their sunhats stored in school but Juniors are responsible for their own hats. Sun cream can be applied before pupils come to school as staff are not able to do this.

It is also useful if pupils have their PE kits in school all week as we take advantage of this sunny weather. They can be taken home and washed over the weekend. Thank you!

If you have any concerns or questions, please do not hesitate to speak to us. Have a glorious sunny weekend!
Yours sincerely,

Christopher Todd, Headteacher
