Key stage 2

This is provisional data for 2016/2017. Any corrections made to this school will be reflected when we re-publish the data in a few months. National and local authority benchmarks may also change.

Progress in reading, writing and maths

Progress bandings for some key stage 2 schools are displaying differently on 'Analyse school performance' (ASP) and 'Search for schools and colleges to compare'. This is because the bandings on ASP need updating. We're working to fix this as quickly as possible.

We calculate the scores by comparing the key stage 2 test and assessment results of pupils at this school with the results of pupils in schools across England who started with similar assessment results at the end of key stage 1.

See [School performance tables: about the data](https://www.gov.uk/government/collections/school-performance-tables-about-the-data) (<https://www.gov.uk/government/collections/school-performance-tables-about-the-data>) for more information.
