Will you join us and help keep all children safe online?

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools, support and guidance to help parents and carers have conversations with their children about their online lives.

Online safety workshops for parents

As part of this, they're running free **online safety workshops for parents** and will be hosting one at **SINGLETON SCHOOL** at **8.45am** on **MONDAY 23RD JANUARY**. We invite all parents to join us.

The hour-long workshop will help parents understand their child's online world and build confidence to have those important conversations that can help keep children safe online, especially older primary age pupils.

Don't miss out on this great opportunity.

Until then, if you need any support or guidance, call the **O2 and NSPCC Online Safety Helpline** on **0808 800 5002**
