

Pupil Premium Report 2014/15

Pupil Premium is allocated on the current number of children on free school meals and 'ever 6' (children identified as being free school meals in the last six years).

Overview of the school

Number of pupils and pupil premium grant (PPG) received in financial year April 2014 - April 2015

Total number of pupils on roll - 69

Total number of pupils eligible for PPG - 7 (4 free school meals/3 'ever 6')

Amount of PPG received per pupil - £1300 (2014/15)

Total amount of PPG received 2013/14 - £9,100

Nature of support 2014/15

- employment/training of Reading Recovery teacher
- purchase of additional equipment (AEN software)

In addition, support is tailored to the individual needs of the student. Students have been offered:

- learning support
- 1-1 and small group study to aid learning
- pastoral support
- small group reading support
- play therapy sessions
- financial support for equipment, residential, etc ...

Measuring the impact of PPG spending

Singleton Primary School will:

- measure the impact of the interventions by tracking the progress of the pupil premium pupils on a termly basis.
- measure the success of pupils at the end of EYF, KS1 and KS2 relative to their school targets, FFTD targets and against threshold measures.
- monitor and support pupils in accessing pastoral support and discuss their progress and needs regularly.

The next page shows a comparison between national, LA and school data for Pupil Premium pupils in the 2014 Yr 6 cohort.

Pupil Premium Conference 2014 - Primary Data Sheet

How well are our children doing when compared to the national average?

Pink highlight indicated that attainment gap exceeds the national average

Notes:

Gap is the difference in attainment between pupils who have had FSM in the last 6 years and those who have not

Please note that the EYFS and KS1 FSM Ever 6 figures are based on data from the January School Census and may, for some schools, be different to what appears in RAISE.

KS2 Level 4B+, for some schools with small FSM cohorts or with small numbers attaining, their data has been suppressed from publication by the DFE. KS1 data from KEYPAS.

* National GAP data will not be available until mid November 2014
